Mr. Azzara and I would like to extend to each of you our heartfelt prayers during this unprecedented time in our nation and world. Please know we are doing everything we can to continue to making learning and the safety of your children and our school community a top priority.

In that light Sacred Heart High School will follow the directive set forth by Governor Lamont and remain closed at least until March 31, 2020. Students should be doing their work daily by checking their portals, as well as collaborating with their teachers through Microsoft TEAM, or other sites that their teachers will share with them. Please know your child is responsible for ALL work assigned, we cannot reiterate enough the importance of their classroom work being done in a timely fashion, meeting the due dates set by their teachers. ALL work will be graded and become a part of your child's fourth marking period grades.
